- No premiums. I would like my donation to be 100% deductible.

Make giving to the Freight easy by paying your donation over 12 months.

Monthly giving is easier on your budget and will provide the Freight with a steady source of income throughout the year.

This is how it works:

- Commit to an automatic monthly credit card donation in the amount you choose. (*minimum donation \$25/month*)
- After your initial payment, your credit card will be automatically charged on the beginning of each month for the following 11 months.
- For tax purposes, you’ll receive an acknowledgment after your first and last payments.

If you would like to make a monthly gift, contact Susan Lefkowich at 510 644-2020, ext. 114 or email susan@freightandsalvage.org
